Beschreibung

We offer for sale the newly built residential complex "RESIDENCE BELVEDERE", consisting of only 6 exclusive units, located in a quiet position on the first hill of Bardolino.

This elegant ground-floor apartment features bright living spaces with a living room and kitchen, two bedrooms, and two bathrooms. Spacious terraces and a private garden complete the property, ideal for enjoying outdoor living.

Cellars and a communal swimming pool set within a well-maintained green park are included. A double garage is available starting from €60,000 and is not included in the price.

The residence will be built to CasaClima A standards, using high-quality materials and exclusive finishes, ensuring excellent living comfort, eco-friendly construction, and outstanding thermal and acoustic insulation.
